Honorable Members of the Commission:

My name is Caitlin Blackerby. I am a full-time employee at Cahaba Brewing Company located in Birmingham, AL. In my position as Office Manager, I am excited to be a part of the growing community of local craft breweries in Alabama. I'm looking forward to the continued expansion of Cahaba Brewing Company as we will be moving into a larger historical building in the Continental Gin Complex near East Avondale. Cahaba will be hiring more employees, driving the economy in the area, all while encouraging friends and neighbors to put their investments of time and money back into existing structures and communities of Birmingham. This will only continue to be possible with the help of the Alabama Alcoholic Beverage Study Commission passing the necessary laws or removing certain laws that currently restrict us from thriving in our full capacity. I love my job and I'd love to keep it. Please consider how these laws affect the individual consumer, the community, and each taxpaying employee working in a brewery setting. Thank you for your time.
