

OFFICE OF THE MAYOR  
GUNTERSVILLE, ALABAMA

LEIGH BARNETT DOLLAR, MAYOR

July 20, 2015

Alabama Alcoholic Beverage Study Commission  
Alabama State House, Room 727  
11 South Union Street  
Montgomery, Alabama 36130

Dear Committee Members,

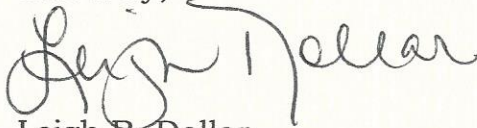

I would like to take this opportunity, on behalf of the City of Guntersville, to encourage your Commission to support state alcohol law changes to allow off-premise sales by craft beer breweries in both growlers and packages.

From a tourism perspective, we feel the Craft Beer Industry is an important part of bringing young people into an area where tourism is already flourishing. The beer industry brings another reason to visit our city and we support the increased revenue for these businesses which will allow them to add more jobs to our local workforce and make a positive economic impact on our community.

Again, we support the efforts and proposed request of the breweries to be able to sell its craft beer off-premise in both growlers and packages.

Thank you for your consideration and support.

Sincerely,

Leigh B. Dollar  
Mayor
