Dear Members of the Alabama Alcoholic Beverage Study Commission,

As mayor of the City of Fairhope, I am very happy to support the Fairhope Brewing Company. This company was established two years ago in the city of Fairhope, since their inception they have become known as the craft beer leader in our area.

I am in favor of Fairhope Brewing Company being allowed to sell its beer off-premise in both growlers and packages. This increased revenue for the business will allow Fairhope Brewing Company to add more jobs to our local workforce and make an even larger economic impact on our community, both in the form of charitable support and increased tourism to the Fairhope area. The Fairhope Brewing Company has been a positive addition to this community, and I wish nothing more than continued success.

Again, I support the efforts and proposed request of the Fairhope Brewing Company to sell its craft beer off-premise in both growlers and packages. Thank you for your time and attention of this matter.

With kind regards,

Timothy M. Kant
Mayor
