"QUALIFYING" SMALL LICENSE TYPES

"QUALIFYING"

- 1) Small wine and beer gallon limits match those as defined by the Federal Government (Distilleries do not have a small limit while Federal legislation has sought 100,000 gal).
- 2) North Carolina distilleries just began selling off-premise one(1) 750ml per customer.
- 3) Budweiser is said to control 86% of Colorado beer wholesale, and has a brewery at Fort Collins.
- 4) Small Alabama wholesalers do not serve many markets because of the \$400 license fee incorrectly applied,
